6 DEC 1963

[redacted]  
Vice President and  
Chief Scientist  
Perkin-Elmer Corporation  
Norwalk, Connecticut

Dear [redacted]

The document attached to this note pertains to your cooperation in making representatives of your company available to the Photo Study Group now meeting in Washington. The signed original copy of the attachment has been introduced into the official minutes of the Panel. Also introduced into the minutes has been the original copy of the order signed by the Acting Director of Central Intelligence appointing the Panel members.

You may be assured that your contribution to this vital national task is of assistance and value to us.

Very truly yours,

[redacted]  
Albert D. Wheelon  
Deputy Director
